5.19.2008 - BWI Airport Hilton
6.16.2008 - BWI Airport Hilton
7.23.2008 - BWI Airport Hilton
8.18.2008 - BWI Airport Hilton

9.15.2008 - BWI Airport Hilton
10.13.2008 - BWI Airport Hilton
11.17.2008 - BWI Airport Hilton
12.15.2008 - BWI Airport Hilton

The Church Builders Seminars offers attendees an integrated and turnkey approach to the design/build process. Too often church leaders try to manage the process by themselves hiring architects, construction managers, civil engineers, site development... only to find that these disconnected parts can create additional complexities. Our seminars pools together funding, architectural, design, and construction resources during the master planning/decision phase, resulting in a faster, smoother, more efficient process with better overall coordination. Many conflicting resources and tasks are eliminated, resulting in a successful turnkey project.

The Expertise We Bring To The Seminar:

- **Vision Planning-** Transform your Vision through effective Community Service
- **Financial Planning-**Develop capital campaign strategies to reach your VISION
- **Design Planning-** BUILD an effective ministry through an innovative design
- **Engineering Planning-** Translate your VISION through cost-effective architecture
- **Development Planning**
- **Construction Management**

The enclosed information describes Marketing Sponsorship Opportunities. For more information please contact David Starkes at 443-926-9200.
